[467] MEN AND [389] WOMEN
INHABIT OUR WITTENBERG
COLLEGE, SPRINGFIELD,
OHIO . . . .

856

When **856** HEALTHY AND NORMAL YOUNG MEN AND WOMEN COLLECT IN ONE SPOT FOR NINE MONTHS, SOMETHING IS BOUND TO HAPPEN, AND WHEN THOSE **856** PEOPLE [**467** MEN, **389** WOMEN,] ARE IMBUED WITH THE SPIRIT THAT MAKES FOR WITTENBERG COLLEGE, SOMETHING DOES HAPPEN!!!

The 1939 Wittenberger

HOPES TO HAVE CAPTURED THESE HIGHLIGHTS

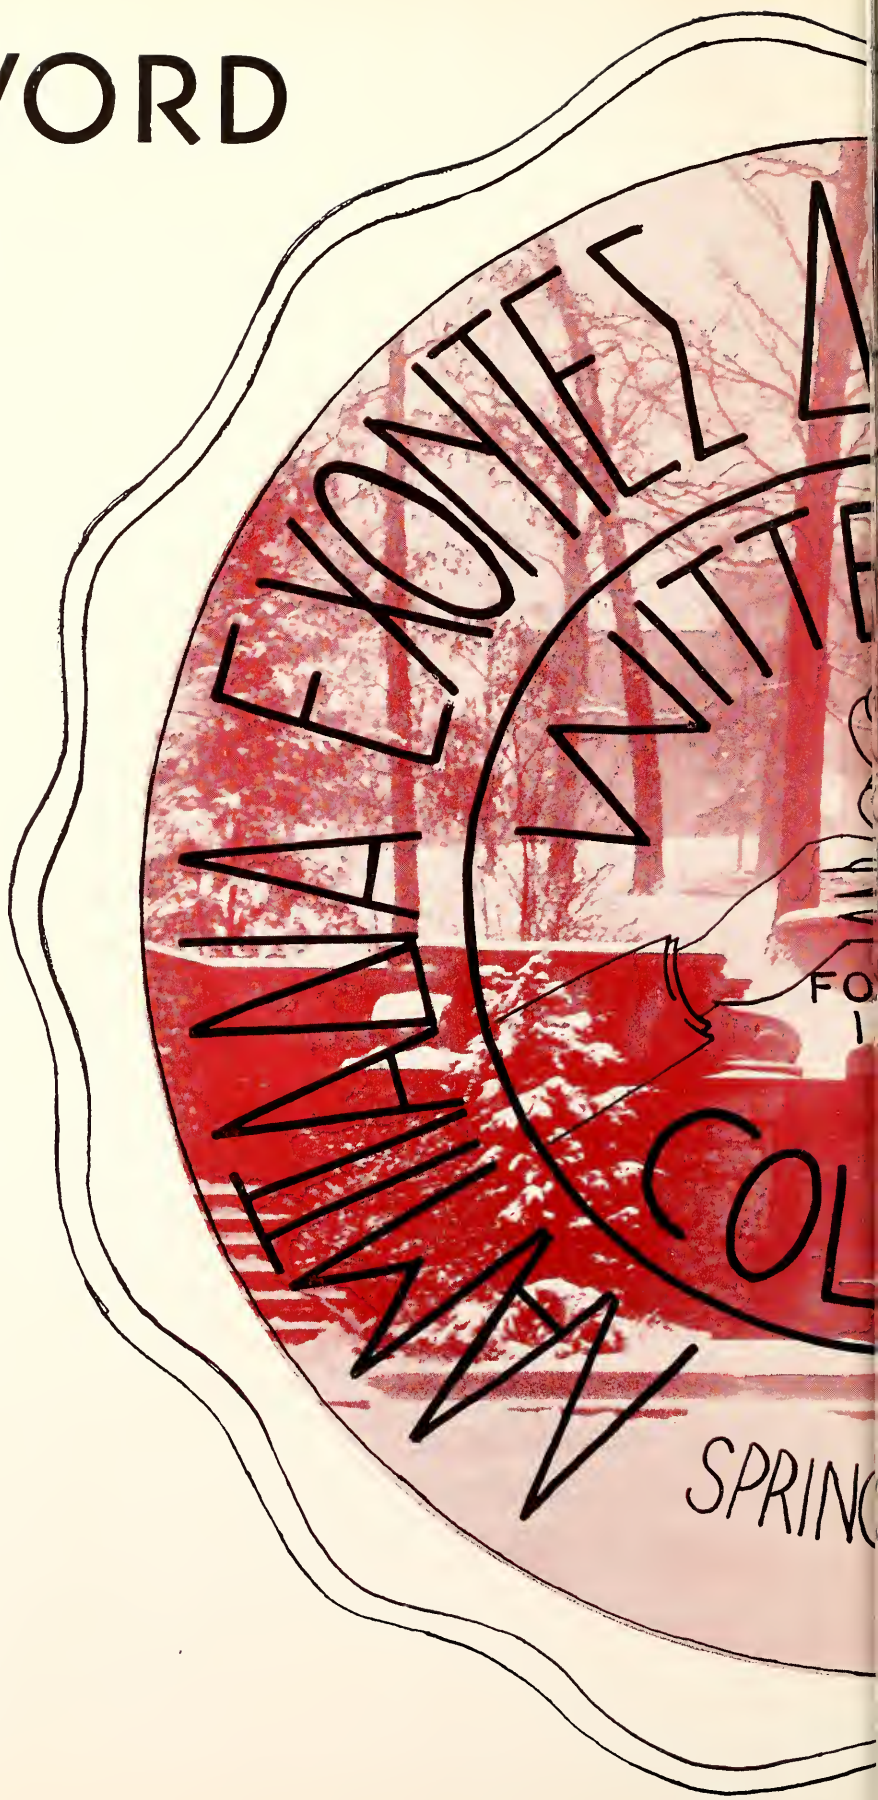
FOREWORD



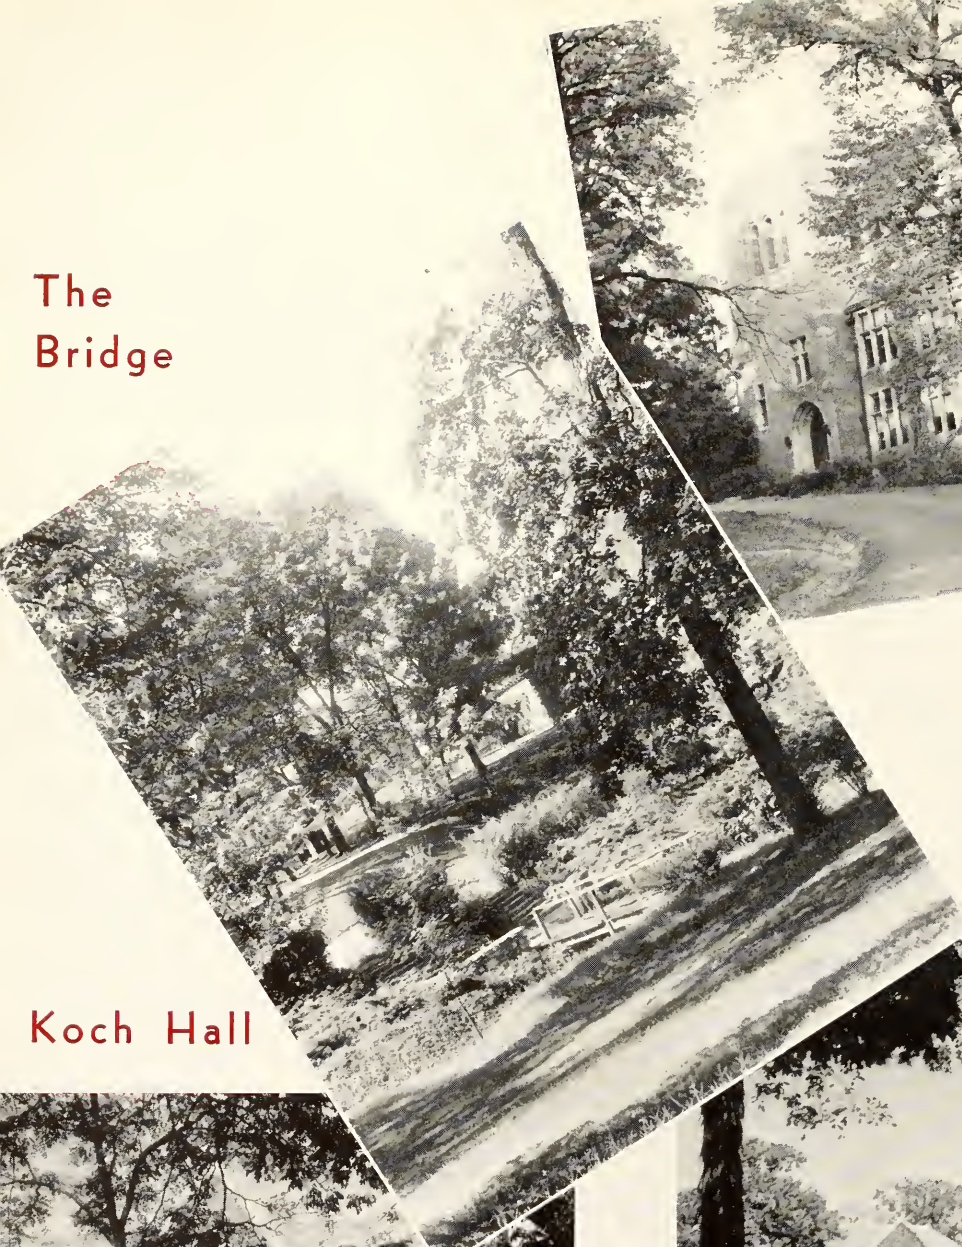
the men

467 men on Wittenberg's campus . . . all kinds, description, and shapes . . . yet all with the same spirit — the spirit of Wittenberg . . . we hoped to have brought you a few of their varied activities.

the women

389 women . . . approximately the correct proportion of this element for any co-ed institution . . . May we give thanks to them for making our college activities much more desirable.

The Bridge



Blair

Koch Hall

Zimmerman Library

A few of the buildings where we have spent many enjoyable and often discouraging hours . . . yet with all of the campus beauty we can see that all is not drab and dull . . . many are the memories these scenes will bring back to you as old "grads."

Recitation Hall

GYMNASIUM

A few more . . . yet each one should recall something different . . . many activities both "on and off the record" have occurred in each one . . . the fountain may bring back spring days, and first acquaintances . . . we shall leave the rest of the memories for you to recall.

Administration

President

Rees Edgar Tulloss

A. B., B. D. Wittenberg College

PH. D., Harvard University.

D. D., Lenoire-Rhyne.

L L. D. Muhlenberg College

A man beloved by all whom he contacts. A person whose achievements and accomplishments all of us, as students, may well use as a guide for our activities. His success lies not alone in the academic fields but branches into all phrases of business, financial, religious, and civil activities. May we as students at Wittenberg give thanks to our President, Rees Edgar Tulloss, for his untiring efforts to further this college and his students.

Dean C. C. Shatzer

A. B., A. M., Sc. D.

In his role as Dean of the College, Dean Shatzer's influence extends to every activity both curricular and extra-curricular on Wittenberg's campus. All of the students who know him as a scholar and a gentleman admire and love him.

We give a note of appreciation to Dean Shatzer for the addition he makes to Wittenberg College.

DEAN SHATZER

Dean Ruth Immell

AB., M. A.

In her fifteen years of service to Wittenberg Dean Ruth Immell may well be proud of her record.

The contacts she makes in her official and social life are a valuable addition to any women's college career.

Dean B. H. Pershing

A. B., B. D., A. M., Ph. D.

Dean Pershing has been giving able assistance and advice to the male element at Wittenberg for the past thirteen years. Students who know him find him to be as sympathetic and as approachable as any student. He may well be proud of his typically Wittenberg spirit.

Sophistication that has been attained only after four long, hard years in college . . . finally beginning to realize that after all there is more than good times in this world . . . wondering a little forebodingly whether they obtained more in the classroom or outside . . . admired and respected by the upperclassmen who still have that hard road ahead of them . . . thinking that after all Wittenberg was a pretty nice place to spend four years acquiring a polish . . . perhaps wishing that they were starting all over again instead of looking forward to a world in which graduates will be a "dime a dozen" . . . satisfaction in the accomplishments and the achievements that have studded their college careers . . . and above all anxiously awaiting that day of days when that elusive diploma will be placed in their hand . . . We the underclassmen who must carry the load you have laid aside wish each and every one of you the Best of Luck for a successful career.

Treasurer ..... MABEL PICHOTTA

Three years of college experience behind them . . . one more ahead . . . wondering if they are getting what they actually came to college to obtain . . . realizing that after all they are getting to be very "big shots" . . . looking at the underclassmen and wondering who will possibly carry on when they graduate . . . worrying considerably about that "chosen career" . . . falling horribly in love . . . planting pins and the necessary activities that follow . . . at this time of year engaged in the annual political struggle for honors . . . discussing fervently the possibilities of a "Junior Prom" and then discarding the whole idea . . . and finally realizing that next year will be their last and there is plenty to be accomplished before graduation.

The assumed air of a campus "nobility" . . . thinking that they are really the only ones on the campus who count . . . taking things and the administration as a matter of course . . . no longer are they the green, questioning youngsters that they were a year ago . . . campus politics for the first time is actually beginning to worry them . . . Perhaps a few wish that they had accomplished more the past two years and then firmly resolve that the next two will be different . . . wondering if the courses they are taking will be of any assistance in their life work . . . changing courses some of them a dozen times . . . beginning to dislike 7:45 classes more than ever . . . more and more activities heaped upon them and less and less time for curricular activities . . . falling in love and taking all things more seriously if not a little more cynically.

Green, unsophisticated, immature, wondering why did they ever think of coming to college . . . then the rush of freshmen week, no time to get lonesome, after all I am a fellow they all want . . . the horrible disillusion when pledgehood starts . . . again wishing they were back home . . . beginning to take things a little less seriously and making friends easily . . . getting into campus functions partially because they were forced into them and some because of their own initiative . . . looking up at the upperclassmen and trying to follow in their footsteps . . . then those few horrible weeks of final examinations when the entire world seems down on you and to top this off that one week that all dread — HELL WEEK . . . finally everything is over and they assume the air of a somebody again . . . an attitude of immature superiority.

Activities

A book — memories, amusement, reference, pictures — a diary, an album, a reminder — as you choose. No theme, no outlined scheme of make-up, no attempt to achieve colorful effects. People have done things, things have happened — we depict those achievements and occurrences for you. You've worked and played with people whose company you've enjoyed and whose friendship has been one of the finer things about college life. We offer you a volume containing an account of that work and play which has made college a thing to remember and cherish.

We've embodied the events of the past year in a style, color, and make-up best suited to preserve for you the happy thoughts and moments we found for you.

If on a rainy night years hence, the firelight reflects a smiling face under graying hair — our purpose will have been fulfilled.

Celebrating its twenty-fifth anniversary this year, the Torch topped all previous publications with an eight-page issue concerning brilliant Torch history and its commendable development, followed by a staff banquet.

Stress this past year has been placed upon present campus situations — specifically, the editorial policy of the Torch has been to make the students conscious of the true value of extra-curricular activities, and thus limit unprofitable participation.

Two further achievements are noteworthy; a special edition after the Dayton game, and an increase in campus coverage.

Staff organization has been greatly improved upon and a larger number of competent persons trained for editorship with the appointment of the editor and the business manager made by a special committee of faculty members and students, rather than left to an open political election.

To WITT: to provide a form of amusement for students for a mere pittance of one dollar a year, or fifteen cents in single snatches. No high-sounding purpose promotes the Witt, merely the achievement of a cheerful thought or the high-lights of the social whirl fulfills the subscription quota.

Wittenberg day by day is reviewed by enterprising staff members who "get around" and wish to keep their fellow-students informed on campus gossip — with "malice toward some" or amusement for many — just as they wish.

Blue Key

With its purpose to discuss campus problems and to advise active campus organizations of needed improvements, Blue Key, national honorary, is composed of senior men superior in character, activities, leadership and scholarship. This organization takes as its members the editors and business managers of the Torch and the Wittenberger plus others who meet the requirements for membership. Meetings are held once a month to discuss problems which might concern them.

Arrow and Mask

Emphasizing both curricular and extra-curricular activities as an aid to well-rounded development is this society, the only senior women's honor group. The pledges are chosen from a group of breathless juniors who by their scholarship, leadership, character, and service meet the requirements for admission. According to custom, at the initiation banquet, the senior members will relinquish their posts to the incoming members. Each year the Arrow and Mask presents a cup to the girl who in her first semester's work receives the highest scholastic average.

Beta Beta Beta

Requirements of B average in 14 hours of biology keep this group small — something for which they are known. The group attempts to instill a love of nature and stimulate biology scholarship. Speeches this year were centered about the topic, "Marijuana." Plans for an open-house in 1940 are being formulated. Tri-Beta as this group is known possesses 35 chapters nationally of which Wittenberg is XI.

OFFICERS

President ..... RICHARD FULTON
Secretary-Treasurer ..... JOHN PERSHING

Home Economics Club

Organized on the campus in 1925, with the purpose of "creating a greater interest in the field of home economics," it has since become a member of the National and State Home Economics Associations. On November 12 the members of the Club were hostesses to the State Home Economics convention.

This year terminated the largest project the Club has undertaken — a fashion review of the gowns of the ladies of White House.

Membership requires that one be majoring or minoring in home economics.

Theta Chi Delta

The Alpha Iota chapter of this national chemistry honorary purports to encourage interest and attainment in modern chemistry. This it does, for yearly it conducts chemistry contests for Ohio high school seniors with Wittenberg tuition credits as prizes. The qualifications for membership are a major in chemistry and 13 hours of B in that subject. This year Theta Chi Delta held its national conclave at Wittenberg which is quite an honor for any chapter.

OFFICERS

President ..... ROBERT MORRISON
Secretary ..... WM. ROTHE

Psi Chi

A national psychology honorary, with a chapter roll full of faculty members, it's primary purpose being "to advance the science of psychology."

Its members must have a B average in phychology and are classified as active, associate and honorary, depending on their academic status and the number of hours they have taken in psychology.

The Wittenberg chapter is one of the charter members of the fraternity which was founded in 1929.

Tau Pi Phi

Founded in 1932, the members of this local business honorary have been the sponsors of both educational and interesting trips through neighboring industries. Their aim is "to promote better business men and women, and to keep the ideals in the business world high."

Membership requirements are 11 hours in business courses with an average of B, with four hours in the subject carried concurrently.

OFFICERS

President ..... HOWARD YOUNG
Treasurer & Secretary.....JUNE KRAMER

Phi Eta Sigma

"To stimulate scholarship among men," Phi Eta Sigma was conceived, and its purpose was carried forth by sixteen members this year, four freshmen, two sophomores, seven juniors, and three seniors. The scholastic honor of membership is granted to freshmen men with a point average of 3.50 and held through four years with the necessary scholastic requirements.

The annual convention this year was held at Indiana, where Dr. Pershing, faculty adviser, and a delegate selected by the group represented Wittenberg.

OFFICERS

President ..... WAYNE MARTIN
Secretary ..... LOUIS CAPO
Treasurer ..... ROBERT WOLFF

Alpha Lambda Delta

Although Alpha Lambda Delta is Wittenberg's newest national scholastic honorary it has already reached prominence. A scholarship quotient of 3.5 for the first semester of the freshman year, or 3.5 average of the entire year is the qualification for membership; thus proving its purpose "stimulate scholarship among freshman women."

OFFICERS

President ..... MARGARET GOSCHKE
Vice-President ..... RUTH FLACK
Secretary ..... MAXINE WALTZ
Treasurer ..... DOROTHA MAY LEONARD

International Relations Club

The International Relations Club holds its meetings on the first and third Friday evenings of each month to discuss pertinent international problems in history and political science.

All foreign students at Wittenberg are automatically members; an interest in the questions discussed is the only requirement for membership.

Delta Phi Alpha

Wittenberg's Nu chapter of this national honorary German fraternity was established in 1931, to succeed "Deutche Verein." As is not uncommon with departmental honoraries, the chief requirement for membership is a B average in two years of college German. The principal purpose of the group is to stimulate interest in the customs and language of its native land. The German exchange students take an active interest in the organization and benefit the other members by their presence.

OFFICERS

Lambda Mu

Eight hours of B in Greek or Latin, a two point general average and sufficient funds to meet the restrictive initiation fee, are the requirements for this local classics group. Quite simply, their aim is, " a better interpretation and appreciation of the classics," which it attempts to fulfill by sponsoring an annual essay contest on classical themes. Other activities include its spring banquet and the publication of the "Praeconium."

Rifle Club

Composed of Charles Keil, Howard Young, Luis Capo, Don Hoffman, Betty Kemp, Betty Heltzel, and Charlotte Cross, the Rifle Club this year elected Royal Ferree president, to conform to Western Rifle Association rulings. This year they have won two matches and lost one. The best match was with U. of C. L. A. which Wittenberg lost 495-491. Dr. J. W. Barker is the faculty advisor.

Tau Kappa Alpha

This national forensic fraternity is composed of all students who have participated in varsity debate or oratory. Tau Kappa Alpha emphasizes the stimulation fo forensic activities on the campus in its semi-annual meetings. The fraternity is a member of the Association of College Honor Societies and is the yearly sponsor of the high school forensic contests and the public speaking banquet.

OFFICERS

President ..... DAVIS ILLINGWORTH
Vice President ..... LUCILLE TEETER
Secretary-Treasurer .... MISS ROSE CADWAGON

Theta Alpha Phi

Known especially for their annual sponsoring of Varsity Nite, in which each campus social fraternity competes for honors in originality and presentation of skits. To exemplify their purpose "to further the cause, and perpetuate a fine type of dramatic art on the campus" the members of this national honorary fraternity staged, directed, and managed "Dracula."

The members of Theta Alpha Phi are selected on the basis of their outstanding scholarship and dramatic achievement.

OFFICERS

President ..... HOWARD COOK
Secretary ..... BETTY MICHELFELDER
Treasurer ..... MISS CADWAGON
Faculty Adviser ..... PROF. P. R. BREES

Sigma Alpha Iota

The aim of Sigma Olpha Iota is to promote the highest standards of professional ethics and culture among women students of exceptional musical interest and ability who are enrolled in music schools, and to bring about a closer relationship among women pursuing some phase of music as a profession. Early in the year a Christmas party was given at Mrs. Paul Heisy's, a patron. The annual MacDowell Musical will be held in the Spring along with an open-recital with Phi Mu Alpha, men's honorary music fraternity.

Oratory

Representing Wittenberg in the "Old Line" contest of the Ohio Intercollegiate Oratory Association, Davis Illingsworth placed second with his oration entitled "The Empty Chair." Helen Copenhaver, with her selection "Skating," from Cornelia Otis Skinner's "Excuse It Please," won the State Interpretative Reading contest. "Crystal Gazers," delivered by Alice May Thornton, placed Wittenberg second in the Women's State Oratorical contion, Davis Illingworth placed second with his oratest. Mark Getzendamen represented Wittenberg in Peace Orational Contest with his oration "Black Plague."

Pi Delta Epsilon

Striving to establish a definite relationship between the three campus publications, Witt, Torch, and Wittenberger, Pi Delta Epsilon carried out a program designed to stimulate journalistic interest.

The two-fold purpose constituting their yearly program includes the sponsoring of lectures by outstanding men in the field of Journalism and field trips through newspaper plants.

The group points with pride to the publication of the Wittenberg Student Directory, its outstanding and commendable achievement of the year.

Shifter's Club

What is the "right attitude" — each member of this secret organization has it ,for that is its only requirement for membership.

The group was organized for purely social reasons and is the only one of its kind whose membership consists of both men and women. There are no officers.

Men's Varsity Debate

After several strenuous weeks of debating conference and nonconference teams, Wittenberg entered into the Ohio conference debate tournament at Columbus. In the B division the Wittenberg teams won a superior rating which placed them in a tie for first place. Debating the same question, "Resolved — That the United States should cease using government funds and credit for the purpose of stimulating business," the A teams in the tournament also did well in giving Wittenberg another successful debate season.

Women's Varsity Debate

Debating the question: "Resolved that the United States should follow a policy of isolation toward all countries engaged in international or civil conflict," the women's Varsity Debate squad won first place in the B division and second place in the A division at the Ohio Women's Intercollegiate Debate Conference at Capitol University.

Eight two-member teams participated in the non-decision pre-tournament debates at Capitol, Ohio Northern, Earlham, and Ohio University.

Kitty Lou Loper was named the most valuable debater of the season.

First Year Men's Debate

The first year men debated the question: "Resolved that the United States should form an alliance with Great Britain." Their ability to participate in Varsity Debating next year was shown in their non-decision debates with Dennison, Farlham, Ohio University, Ohio Wesleyan, and Kenyon. Three negative and two affirmative two-member teams participated in the pre-tournament debates.

First Year Women's Debate

This year witnessed one of the largest turnouts for positions on the Freshmen Women's Debate squad that Wittenberg has ever seen. The sixteen members chosen for eight two-member teams promises to provide excellent material for future Varsity teams.

The squad showed speaking ability in their non-decision debates with Dennison, Earlham, Ohio University, Ohio Wesleyan, and Kenyon, debating the same question as the first year men.

"She Stoops to Conquer"

Oliver Goldsmith's "She Stoops To Conquer" opened Wittenberg's Dramatic season. Marion Heinmiller took top honors as the heroine, while Glenn Johnson in the principal male lead, is cast in a tailor made role. Robert Bayley is the snuffling, grunting father. The story is of a husband and wife who have a daughter and son, respectively, by earlier marriages. Both the husband and the wife are trying to marry their children to mates whom the children do not love.

R. U. R.

"R. U. R." is a social satire from the pen of the Slovakian writer, Karl Capek. The setting of the play is an island, and on this island is the central office of the factory of Rossum's Universal Robots. When the play opens, a few decades beyond the present day, thousands of manufactured men — living automatons without souls, desires, or feelings — are in existence. Heading the cast are Betty Michelfelder as Helena Glory and John Hallauer as Harry Domin, the general manager of Rossum's Universal Robots.

"The Fool"

With suspense the keynote of the play, Vera Jeddy and Walter Koch co-starred in the third of the season's dramatic production. Koch was outstanding as the minister Gilchrist, who had such sincere faith in humanity while Miss Jeddy portrayed the role of Clare, a wealthy but unhappy girl. Norbert O'Donnel was excellent as Jerry, Clare's husband to whom she returns in the end to find happiness.

Women's Athletic Association

Organized "to interest women in athletics on the campus" W. A. A. is constantly achieving its purpose by sponsoring the women's intramural program. W. A. A. gives awards to those girls who are active in sports; numerals are given to those having 450 points, "W" letters to those getting 800 points, and a letter sweater for 1300 points.

The requirement for W. A. A. is that a girl has passed the first semester of physical education and totaled 100 points in some sport.

Womens Wittenberg League

"In order to stimulate school spirit and support the best standards of college life," is this large group's motto. Having every girl on the campus as a member — each 2 freshmen, 2 sophomores, 4 juniors, and 4 seniors are elected to its governing council. Early in September a garden party was given for the new freshman girls. Two dances were given this year — one previous to Christmas and a formal following, both definite successes. The only activity other is All Women's Night. This year it will be a sketch depicting the gowns of the wives of the Presidents. Faculty advisor is Dean Ruth Immel.

Pan-Hellenic Council

To further cooperation and friendly relations among sororities Pan-Hellenic council was established at Wittenberg. Two representatives from each sorority compose the Council which meets once a month to discuss the varied problems of intersorority interest.

An annual Intersorority Bridge Tournament, exchange dinners, and a formal dance comprise the Council's social activities.

Boost W

To maintain Wittenberg traditions and to keep alive student spirit is the huge task undertaken by the Boost Wittenberg Association. In obtaining what the organization stands for the association sponsors several dances, the spring and fall elections, and a number of convocation programs. It also acts as a men's governing body giving service keys to its members who are elected by the organizations on the campus.

Y. M. C. A.

The largest and the oldest men's group on the campus is the Y. M. C. A. The group this year, as in the past, featured in its extensive program the all-college sings, convocations with world known speakers, inspirational meetings, participation in community projects, attendance at youth conferences, sponsorship with the L. S. A. and the Y. W. C. A. of the Christmas and Lenten vespers, and independently the issuance of the Freshman Handbook.

Choir

Inspired by the talented leadership of its director, Professor John Thomas Williams, Wittenberg's A'Cappella Choir attained musical heights anew in the past year with fifteen noteworthy concerts.

The two outstanding presentations included "The Seven Last Words," and the "Messiah," presented by the Wittenberg choir combined with the church choirs of the city.

Since its inception nine years ago, the choir whose present membership totals sixty-five, has gained nation-wide recognition as one of the outstanding mixed choral groups in the country.

Band

With tryouts over, the band selected, something was still missing. What? Uniforms — a need for new ones. So they were purchased, aided by a collection received at convocation early this year. Quite glamorously they made their appearances at each football game and added to the thrill of the game. Frequently they played for the school gatherings and at this point, a vote of thanks to their tireless effort, and swell music. Director is Professor Arnold Oehlsen.

Orchestra

As is usually the case in any voluntary music group, there is a lack of certain instrumentalists; however, regardless of these the Wittenberg orchestra this year is deserving of much praise. Thanks to Arnold L. Oehlsen its director, the orchestra has enjoyed a successful season. Throughout the year, aside from its concerts, it played for the Monday Convocations.

FOOTBALL 1938

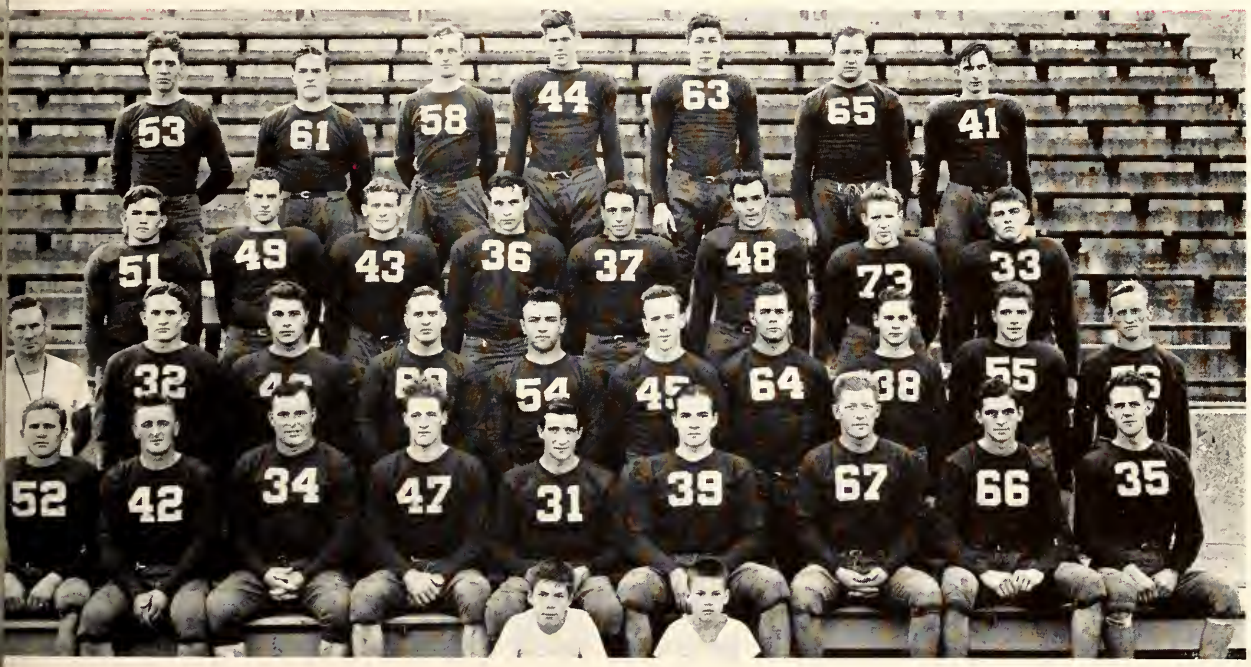
Varsity Football

Facing a rugged eight game schedule minus the services of eight graduated lettermen, the Lutherans started slowly by dropping the first four grid encounters but finished with a spirited rally that carried them to victory over the remaining four foes.

At the outset of the season the Cardinal and Cream tangled with Dayton's powerhouse and was hopelessly outclassed. After losing the next to Ohio Northern's Polar Bears, the battered Tigers were pitted against the Tartars of Carnegie Tech and showed surprisingly well by scoring 13 points, their first of the season.

After losing two conference tilts the Lutherans began to click by edging Marietta, Oberlin, and Denison, all highly touted teams, and wound up the grid year by sinking Kenyon.

The name of Robert Blackburn, senior center, was inscribed beneath that of "Red" Norman as the squad's most valuable player. Emil Lisak and Harry Koch placed on the all-Ohio conference team.



First Row — Scheutzow, Semotovick, Hudak, H. Koch, Uptegraph, Blackburn, Petri, Rankin, Schiedemantel.

Second Row — Stobbs, Marshall, Cooper, Dwire, Julian, J. Johnson, Moffat, Kaler, Culler, Lisak.

Third Row — MacNab, H. Johnson, Brandt, Runser, Bently, Reardon, Law, Parsons.

Fourth Row — Milligan, Frederick, Chatlain, Rothe, Jenkins, Dorman, Boll.

Football Results

DAYTON

In the season opener the University of Dayton Flyers, laden with almost four tons of football dynamite, smashed the Lutherans under a six-touchdown bombardment, 38-0. Wittenberg fought gamely enough but was overpowered and outclassed from the start. By taking to the air almost entirely in the final half, the Tigers edged the Flyers in first downs, 7-6.

OHIO NORTHERN

Riddled by injuries, but fighting gamely, the Tigers eased up long enough in the third period to allow the Polar Bears to push across two touchdowns for a 12-0 lacing. The Lutherans' only scoring threat in the first period was nipped on Ohio Northern's 21-yard line. Wittenberg outplayed the Northern team completely in the first half by accounting for three of their seven first downs.

RANKIN — SCHEUTZOW — SCHIEDEMANTEL
MARSHALL — MOFFAT — UPTEGRAPH — JULIAN

CARNEGIE TECH

Staging a determined fight and playing a brand of football which won enthusiastic response from 5000 fans, the Cardinal and Cream broke into the scoring column by going down to the mighty Tartars of Carnegie Tech, 32-13. Only 15 Wittenberg gridders saw action during the grueling contest, while Tech sent in fresh men time after time until the total number of players had reached 34.

BOWLING GREEN

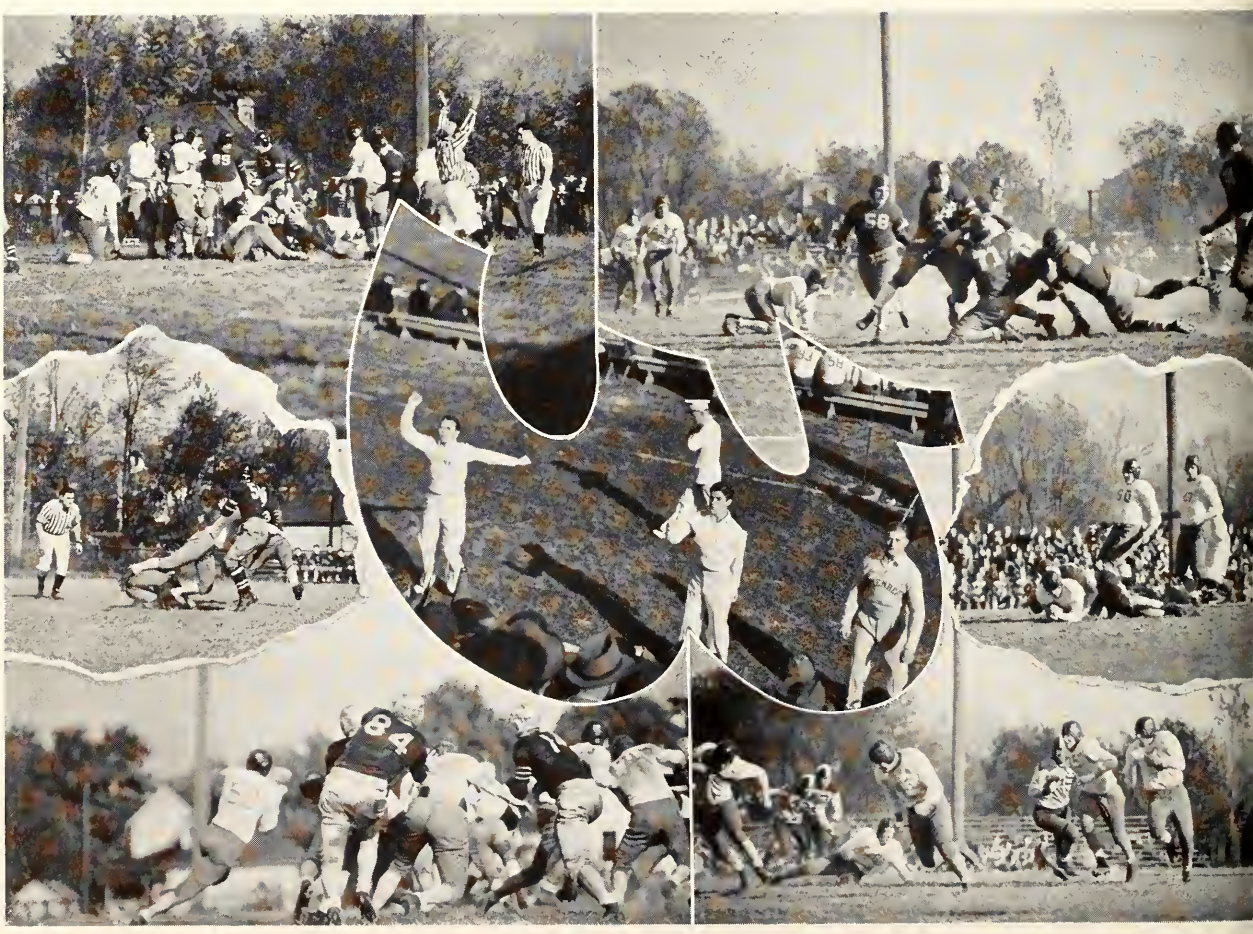
Three times the Fighting Lutherans turned back Bowling Green drives deep into touchdown territory, but once they were unable to stop the Falcons who gained a 7-0 victory for the Tigers' second conference loss. A brilliant Bowling Green passing attack in the second quarter spelled defeat for the Lutherans. Bud Law and Emil Lisak were the most consistent ground gainers for the Tigers.

MARIETTA

Snapping their four-game losing streak, the Lutherans scored their first victory of the season at the expense of the Pioneers of Marietta, 13-0. The Cardinal and Cream were masters of the situation from start to finish, their opponents never seriously threatening to cross the goal. Bud Law, halfback, and Chatlain, sophomore end, scored the touchdowns, with Lisak converting once.

OBERLIN

Doing their part to make the annual homecoming event a complete success, the Lutherans handed Oberlin's Yoemen their initial defeat of the season, 9-6. A field goal kicked by Emil Lisak gave the Tigers their margin of victory. Forced to come from behind to capture the contest, the Lutherans never gave up and were rewarded when Lisak galloped 50 yards to knot the count and later surged ahead on the placement.



Freshmen Squad

First Row — Wortman, Geise, Duskey, Reede, C. Stobbs, Thomas, Shirk, Wehner. Second Row — Blatto, Fisher, Rhode, Lymangrover, Whitaker, Crouch, Bolton. Third Row — Newman, Stoddard, West, Winter, Bagnel, Markowicz, Freedebaugh, Hosterman, Hall.

DENISON

Ending their at-home season in a halo of glory, the Cardinal and Cream romped to a 13-0 victory over Denison University before a large and enthusiastic audience. The triumph will go down in the records as one of the biggest upsets in the Ohio conference grid race. The Lutherans gained the distinction of being the only eleven to chalk up two touchdowns on the Big Red team this year and the second to score on it.

KENYON

Four seniors ended their collegiate grid careers, and the squad ended their season when they sunk the Kenyon Lords 26-0 in a conference contest. It was Wittenberg's fourth straight league victory against two setbacks. Emil Lisak, senior halfback, scored three touchdowns. Tom Rankin, senior end, scored the other.

First Row — Heskett, Albright, Shannon, Chatlain, Culler.
Second Row — Marshall, Koch, Foster, Klopfer, Shellhaas.
Third Row — Uptegraph, Rankin, Dorman, Caton.

BASKETBALL

Varsity Basketball

Strengthened by sophomore talent, the Fighting Lutherans rolled up an impressive record for the 1938-39 season by capturing all but one conference tilt while dropping their league title to Wooster. The Tigers lost their initial loop fray to Marietta and then went on to sink their remaining 13 opponents to wind up in second place in conference play.

This great quintet, comparable to the champs of last season, made the loss of their title easier to hear by smashing three records during the course of the season and displaying a brand of flashy ball that left little to be desired.

Coach Stobbs' charges won the first two contests on their annual warm-up trip before bowing to Muhlenberg college. These victories ran their consecutive win streak to 17 contests having won the last 15 games of the preceding season. With the squad not quite in peak form, they lost a heartbreaker to the Marietta five by a score of 45-41. They later avenged this defeat by sinking the Pioneers 48-37.

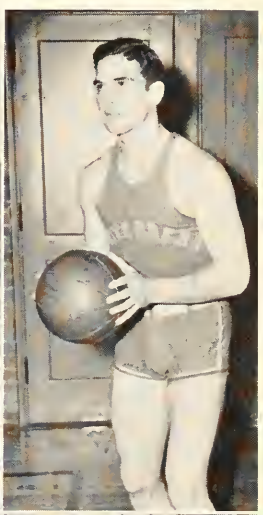
The Lutherans trimmed their arch rivals, the Dayton Flyers, twice. Once at Dayton which was well attended by a migratory crowd of Wittenbergers, and later on the home floor. The peak in thrills was reached when the Tigers, led by Frank Shannon, barely edged the Scientists of Case, 39-36, in a hectic final minute of play.

The Stobbsmen wrote a pair of new records for the Cardinal and Cream archives in the initial encounter with Findlay. With the offense hitting on all five, the Lutherans shattered their high scoring record of last season by wearing out the meshes with 84 points. The former high of 79 markers was made against Ohio Northern last season. In the Findlay fray, Tom Rankin, senior guard, bettered Frank Shannon's individual scoring mark of 24 points, by making 13 field goals count for 26 markers.

In the final game of the season, the Stobbsmen sunk another Big Four outfit in trimming the Streaks of John Carroll at Cleveland, 62-38, winding up the season with 13 consecutive wins. Wooster's Scots cinched top honors by capturing 17 games, without a loss.

Coach Stobbs' record here as head cage mentor shows 101 games won against 53 in the loss column. His chart now shows a co-championship, a second and a fourth in the Buckeye league, and two fourths, a second, and a championship in the Ohio conference.

ACH STOBBS



1939 Basketball Review

Embarking upon their annual eastern tour preparatory to the regular conference schedule, the Lutherans ran their win streak to 17 when they took victories over Juniata, 38-52, and Scranton, 41-43.

The cagers ran into difficulty with Muhlenberg and Swarthmore, losing both contests, 36-34, and 46-34.

They came back with a victory over Upsala, 44-39, and then dropped two more warm-up frays. Lehigh won, 50-40, and Washington was the victor, 60-34.

The Lutherans climaxed the tour with a 46-43 triumph over Loyola to break even with four wins and four losses.

At Marietta the Stobbsmen were edged in their first league tilt, 45-41.

In the initial home game, and the second loop contest, the Tigers trimmed a highly-touted Mt. Union quintet, 44-36.

At Granville the Lutherans defeated the Big Red of Denison, 50-41.

The Muskies of Muskingum went down to defeat here in another conference match, 58-39.

An under-rated Otterbein five put up a stubborn fight before bowing to the Cardinal and Cream at Westerville, 36-31.

With a migratory crowd of 200 Wittenbergers cheering them on, the Stobbsmen defeated the Flyers at Dayton in a rough game, 39-34.

For the third consecutive time, Ohio Northern's Polar Bears had over 70 points piled up against them; this time 71-47, in a home tilt.

One of the seasons most satisfying victories came over the Case squad here in a thriller won by the Tigers, 39-36.

The Findlay cagers managed to roll up 50 points in going down to the Lutherans at Findlay, 59-50.

In bowling over a quintet from Bowling Green, 50-30, the Lutherans rang up their ninth straight victory in a home game.

This time Findlay's defense was punctured repeatedly, for the Tigers amassed 84 points here to Findlay's 59.

An early defeat was avenged when the Pioneers of Marietta were sunk here, 48-37. The damage was done, however.

Dayton took another lacing when the Tigers trimmed them here,

In the final contest of the season the Streaks of John Carroll went down to defeat at Cleveland, 62-38.

In all, the Fighting Lutherans garnered 413 goals and 240 charity tosses, good for a total of 1066 points.

Last spring saw Wittenberg win another Ohio Conference Championship. The baseball team walked away with the honors being defeated only by Ohio Northern in a 16-15 slugfest. These victories were due to a large degree by the enviable pitching of Frank Shannon who lost only the game to Ohio Northern out of the eight he pitched.

This year Wittenberg's team has been undefeated and from all advanced reports the championship will go again to the Lutherans. This was Shannon's fifth straight win of the year.

Swimming

Facing a tough schedule with only seasoned mermen, Fred Bigelow and Frank Thorpe, the Lutheran swimmers took a ducking in dropping seven meets. Under the tutelage of Coach Wilbur D. West, completing his second year as swimming mentor, the tankmen managed to salvage one struggle, sinking the Middletown Y. M. C. A. here, 56-44.

In the conference meet held at Kenyon on March 3 and 4, the swimmers failed to earn a single point, finishing last in a field of six entries. Kenyon easily defended her league title. In two seasons the Tiger mermen have captured but two meets, having defeated Fenn in the opener last year.

MEN'S INTRAMURALS

After having dropped indoor baseball and fall horseshoes from an enlarged intramural schedule last year, intramural managers this year decided to eliminate the boxing tournament from the program. Stating that a suitable date for the tournament could not be determined upon, the managers voted to resume the popular sport next year.

TAG FOOTBALL

Repeating their championship drive of last season, Alpha Tau Omega repeated in the "A" league to retain their title. Theta Kappa Nu took first honors in the "B" league, but were trimmed by the A. T. O.'s in the playoff.

VOLLEY BALL

"A" league volleyball resulted in a close race with Phi Kappa Psi capturing the trophy. Alpha Tau Omega took second place. In the "B" division, Alpha Tau Omega was undefeated. Theta Kappa Nu placed second.

PING PONG

With a spirited rally, Beta Theta Pi spurted forward in the final contests to take first place over Delta Sigma Phi and Gamma.

HANDBALL

In a listless series of handball matches, Alpha Tau Omega and Phi Kappa Psi tied for first honors. Phi Kappa Psi received the trophy after a playoff.

BASKETBALL

With competition in the "A" league hotly contested from start to finish, the race ended in a three-way tie for first place, shared by Delta Sigma Phi, Alpha Tau Omega, and Phi Gamma Delta. Delta Sigma Phi took the "A" league trophy by virtue of their victory in the playoffs.

In contrast, "B" league competition was dominated by Alpha Tau Omega, who captured eight consecutive contests, to enjoy an undefeated season.

SWIMMING

Louis Capo and Allen Lehmkuhl paced the Dorm league to victory in the mermen contest. The Dorm swimmers scored 26 points to lead the field. Their closest rivals, Alpha Tau Omega and Phi Kappa Psi, shared second place with 17 tallies each.

FOUL SHOOTING

Capturing 236 points out of 350, Alpha Tau Omega won the team laurels in the foul shooting event. After each entry had sunk 53 out of 70 baskets, John Strub defeated Robert Gross in a playoff for individual honors.

VOLLEYBALL

The Alpha Xi's captured first place in the Intramural Volleyball, while close behind were the Beta Phi's in second place. The Alpha Delts defeated the Chi Omega's for third place.

POSTURE

Chi Omega gained first place in the annual posture contest with second place going to last year's winner, the Alpha Delts. Kappa Delta placed third, with the Alpha Xi's and the Beta Phi's tied for forth place. Indiviual honors this year went to Marion Turner, an Independent. Betty French and Louanna France captured second and third places respectively.

PING PONG

Alpha Xi Delta acquire the Ping Pong title after a series of fine matches. Second place was tied with Beta Phi Alpha and Chi Omega sharing the honors. The Alpha Delts came in third. Individual honors went to Conrad and Todd who won the two doubles.

BASKETBALL

For the second time in thirteen years the Independents captured the Basketball trophy. They went through the entire season without a defeat. The Alpa Xi's came in second, losing a single game to the Independents, and the Alpha Delt's placed third with four games won and two lost.

SWIMMING

The Alpha Delts captured first place to get the swimming trophy due largely to the swimming of Betty French who won four first places and with the aid of Doris Fickling set a new pool record for the Tandem Race. The Independents won second place and the Chi O's took third honors.

SUMMARY

With the intramural season practically over the Alpha Xi's are still in the lead for the intramural trophy. However, the Alpha Delts are in second place, 25 points behind the leaders. The Independents, close behind are in third place with 31 points. As yet we are not going to forecast who will be the winner of the Intramural Trophy for this year.

Organizations

Alpha Tau Omega

Ohio Alpha Psi

Ohio Alpha Psi of Alpha Tau Omega, helping unite the country through the national organization of Alpha Tau Omega, was founded on this campus in 1883. The fraternity, which has now 93 chapters and a membership of over 35,000, was founded on Sept. 11, 1865, at the Virginia Military Institute, by Messrs. Glazebrook, Marshall, and Ross.

A. T. O.'s claim to fame locally is the fact that they have during the past few years had many of the athletes as members of their fraternity. They also won the scholarship award last year.

Illustrious Alpha Taus are Dr. Karl T. Compton, Walter Hines Page, Norman H. Davis, and Robert W. Bingham.

The fraternity publication is "The Palm," the colors are gold and sky-blue, and the flower is the white tea rose.

Alpha Gamma

For a fraternity whose avowed *raison d' etre* was "to get even with Alpha Delta Phi at Miami University," Beta Theta Pi claims unusual distinctions, both on this and other campuses.

Almost a centenarian, Beta Theta Pi was founded Aug. 8, 1839 at Miami, by Messrs. Knox, Gordon, Smith, Duncan, Marshall, Linton, Ryan, and Hardin. This summer plans are being made to celebrate its 100th anniversary.

The local chapter of Beta Theta Pi started in 1867 here at Wittenberg, the second fraternity on the campus. It has since it was founded claimed many faculty members as alumni, among them being Shatzer, Larimer, Weaver, and Zimmerman. Another claim to prominence on the campus is the fact that the business managerships of campus publications are controlled by the Betas.

As statistics we name the publication "Beta Theta Pi," the size of their chapter roll is 87, the flower is the rose, and the colors of the fraternity are pink and blue. The organization is the first to be founded west of the Alleghenies, and one of the "Famous Miami Triad." Illustrious Betas include Senators Borah and LaFollette; Owen D. Young; and Jay N. (Ding) Darling.

Delta Sigma Phi

Beta Iota

Though one of the youngest fraternities on the campus, Beta Iota of Delta Sigma Phi has grown rapidly in the past few years and become a rival of any of the other older brother fraternities on the campus.

Beginning with the local Sadhe Aleph, in 1922, and joining the local fraternity of Alpha Theta Alpha in 1927, the local group went national in 1932 and joined Delta Sigma Phi, which organization was founded Dec. 10, 1899, at the College of the City of New York.

To date there are 43 chapters in the national organization, but expansion is kept slow, to keep the fraternity "limited to the better colleges and universities."

Scholarship, singing, and Varsity Night cups add fame to the local chapter, having won cups in all these fields in the past few years.

Illustrious Delta Sigs monopolize the music world, with Jan Garber, Hal Kemp, Ted Weems, John Scott Trotter, and "Skinny" Ennis all being members of the organization. Other famous men are Fritz Crisler, football coach at Michigan, and Senator James J. Davis.

Nationally, the fraternity offers a scholarship cup to the chapter with the highest scholarship. The fraternity publication is the "Carnation;" the flower is the carnation; and the colors green and white.

Sigma

Founded on May Day, 1848, at Jefferson College, by the Messrs. Crofts, Fletcher, McCarthy, Gregg, Elliott, and Wilson, Phi Gamma Delta has grown and prospered during its 91 years of existence. Before 1884 there was on the campus a group of men banded into a local group called the "Sigma Society." This group went national in 1884 and became the Sigma chapter of the 73 chapters of Phi Gamma Delta. "The Phi Gamma Delta" is its publication; the purple clematis, its flower; and royal purple and white, its colors. It has contributed such illustrious men as Douglas, Krapp, and Raymond to the list of well-known Phi Gams. Other illustrious Fijis are Newton D. Baker, Zebulon Zance, Rockwell Kent, and Christy Mathewson. It is a member of the "famous Jefferson duo."

Phi Kappa Psi

Ohio Beta

An epidemic of typhoid fever was the responsible element in the formation of Phi Kappa Psi at Washington and Jefferson college, Feb. 19, 1852. In 1866 this group added to its then small list of chapters the Ohio Beta chapter at Wittenberg.

With one of the more modern houses of the campus, the local chapter is oldest fraternity on the campus and among the leading of the national fraternity. The national group has a total of 52 chapters and is still growing. The publication of Phi Kappa Psi is "The Shield." The colors of the fraternity are cardinal red and hunter green. The flower is the jacqueminot rose.

One claim to fame is their list of faculty members, which included Tulloss, Schneider, Marshall, Hiller, Stobbs, and Allbeck.

Mu Delta

The year 1928 saw the founding of the local fraternity Pi Theta Pi. By 1930 the chapter had grown to such an extent that Phi Mu Delta offered the local group membership into its organization. Thus was founded Mu Delta of Phi Mu Delta.

Phi Mu Delta was organized in 1918 by the National Commons Club and made a national Greek fraternity. The feeling that there should be more organization among commons clubs led to the founding of this fraternal society.

To date there has been a total of 16 chapters admitted into membership in the fraternity. They have chosen as their national flower the jonquil, and their colors to be white, orange, and black.

The furtherance of the feeling of brotherhood among the chapters has been increased by the fraternity publication, "The Triangle."

Phi Mu Delta claims fame locally as having as faculty members Dr. F. K. Kruger and Dr. J. W. Barker, and Dr. William Schwarzbeck.

Pi Kappa Alpha

Gamma Zeta

When Pi Alpha Epsilon, a local fraternity on the Wittenberg campus, went national in 1926, it joined Pi Kappa Alpha as the Gamma Zeta chapter. The national fraternity, founded by Messrs. Taylor, Wood, Sclater, Tazewell, and Howard, March 1, 1868, at the University of Virginia, had as its purpose the consummation of friendships formed during the Civil War in the Confederate Army.

A strong national fraternity, especially in the South, Pi Kappa Alpha has 78 chapters. Its claim to fame locally consists of the fact that it was the first fraternity of the twentieth century on the campus of Wittenberg. Also, it has the only fortified house here. Among its list of faculty members we find Lind and Brees.

Its "Shield and Diamond" was awarded first place among fraternity publications for several years. In the course of many years such men as Oscar Underwood; Senators Tolley, Rainey, Salmon; Governors Blackwood and Chandler; and Lynn Waldorf have been members of Pi Kappa Alpha.

The fraternity flower is the lily of the valley; the color is garnet and gold; and the publication is "The Shield and Diamond."

Ohio Gamma

At Springfield, Missouri, in 1924, Messrs. Anderson, Lybarger, McAtee, and Krenmeyer, organized the Theta Kappa Nu fraternity for the purpose of combining a number of local fraternities at Springfield.

In 1932 Kappa Phi, a local at Wittenberg, had reached such a point in membership, activity, etc, that Theta Kappa Nu extended to it a membership into the national group, as the Ohio Gamma chapter.

Since 1924 this fraternity has grown until today there are over 48 chapters in the fraternity. Outstanding in its accomplishments is the fact that within three years after its founding it was admitted to senior membership in the Interfraternity council.

The colors of the fraternity are red, silver, and black. The white rose is the flower, and the publication is the "Theta News."

Claim to fame nationally is through Jimmy Doolittle, well known aviator.

In 1906 an organization was formed to further the cause of the independent men on the campus. This organization was called the Dorm League, and for the next thirty-three years grew in size and strength, so that today it is considered along with any other social group in importance.

In 1928 it reached such size and power that a national fraternity deemed it possible to take it into its membership. Seeing that the cause of the independent men was not being furthered, it re-organized in 1933 and continued existence as the Dorm League.

The colors of the Dorm League are black and gold, and its flower is the red rose.

Alpha Delta Pi

Chi

On May 15, 1851, at Wesleyan Female College, Macon, Georgia, five young women founded the Adelphean Society. The reason for the founding of the organization was given as the bettering of one another mentally, morally, and socially. In 1904 the group changed its name to the Greek-letter name of Alpha Delta Phi, and again in 1913 changed their name to Alpha Delta Pi, which name still exists.

In March of 1913 seven coeds formed a local sorority by the name of Gamma Beta Gamma. In the fall of the same year this group went national and was installed as Chi Chapter of Alpha Delta Pi.

The sorority colors are blue and white, and its flower is the violet. Its national publication is "The Adelphean." The national roster now has 58 chapters in it.

Nationally, Alpha Delta Pi is famous for being the oldest group in the collegiate sorority world.

Locally, the chapter celebrated its silver anniversary in November, and published an insert in "The Torch" in connection with the anniversary.

Zeta

On the 17th of April, in the year 1893, Alpha Xi Delta was started at Knox College, Galesburg, Illinois. Thus was the beginning of that sorority.

Seven women founded Sigma Pi, a local women's sorority, at Wittenberg in 1903, and the following year this local group associated itself with the national group of Alpha Xi Delta, and became the Zeta Chapter.

Though their aim is not to have a large chapter roll, nevertheless the national organization now has 53 chapters, significant of a slow, but steady growth.

One of the projects which Alpha Xi Delta carries on is the missionary station at Carcasonne, Ky., which was founded and is entirely supported by the sorority. The organization also carried on a scholarship fund.

The publication of Alpha Xi Delta is known as "The Quill," and its colors are gold and double blue. The Killarney rose is the flower of the sorority.

Alpha Xi Delta was the first national sorority to be installed on the Wittenberg campus.

Beta Phi Alpha

Omega

When the local sorority called Chi Delta Theta went national in 1931, Beta Phi Alpha became a member of Wittenberg's society of Greeks. This change to a national status did not mean another new organization, because the local group had been on the campus since 1923.

Beta Phi Alpha was started at the University of California on May 8, 1909. The founders of the sorority were Mrs. Scott and the Misses Rinn, Ludeke, Taylor, Paul, and Nelson. From this beginning she holds the distinction of being the first sorority to originate on the Pacific coast. The publication of Beta Phi Alpha, "The Aldebaran," has the same name as the early name of the organization which since 1919 has been called Beta Phi Alpha.

Beta Phi has as its purpose "The desire to elevate, refine, and broaden the outlook of all women coming into contact with the organization." Its flower is the yellow tea rose and the colors of the group are green and gold. The chapter roll now numbers 33.

Among the policies of the sorority is that of weekly programs by the chapter and that of maintaining a fund for assisting worthy Beta Phi to finish college courses.

Tau Gamma

"To be truly national, and bring a new point of view into the student groups movement" was the fundamental purpose defined by four women at the University of Kansas when they founded Chi Omega fraternity on April 5, 1895.

The local chapter of Chi Omega was founded more than 15 years ago, as the local sorority Kappa Phi Sigma. This local group affiliated itself with Chi Omega in 1924.

Today, Chi Omega enjoys the distinction of being the largest women's national fraternity in the United States, having altogether 87 chapters.

Each year the national organization bestows an Achievement Award on a woman who has made an outstanding contribution to the arts or sciences.

Locally, the Chi Omega chapter offers a prize to the student who writes the best paper on social problems. The winner of the award this year is Raymond Beals.

Outstanding names among the Chi Omega membership rolls are those of Dorothy Jordan, Mary C. Love Collins, and Mabel Walker Willebrand.

Gamma Phi Beta

Alpha Nu

Gamma Phi Beta entered the Pan-Hellenic Council at Wittenberg in the person of the Alpha Nu chapter of the national organization. The local sorority, Tau Delta Theta, founded in 1901, the first sorority on the Wittenberg campus, joined the national organization in 1929.

Culture, ideals, pride, and friendship are the four characteristics upon which Helen Dodge, Frances Haven, Adeline Curtis, and Mary Bingham founded this national group at Syracuse University, Nov. 11, 1874. At this time the group called themselves a sorority, the first women's group to do so.

Today, forty-six chapters share the colors of double brown, the pink carnation, and the emblem symbolized in "The Crescent," quarterly publication of the sorority.

Work carried on by the group includes camps for underprivileged children at Denver, Vancouver, Buffalo, and in Virginia's mountains. Also, each year a thousand-dollar scholarship is awarded through the American Association of University women for graduate work in social service.

Margaret Fishback, well-known poet, is one of the outstanding members of the sorority. Through Margaret Wilson and Jessie Wilson Sayre, daughters of President Wilson, Gamma Phi Beta has the distinction of being the first Greek-letter organization to enter the White House.

Alpha Nu

After maintaining themselves as Theta Gamma Rho from 1915 until 1927, this local sorority went national and became the Alpha Nu chapter of Kappa Delta.

The national sorority was founded at Virginia State Normal school, on Oct. 23, 1897. Today, after rapid growth, it has a total of 77 chapters and is fourth largest sorority in the Pan-Hellenic Council.

The white rose, by virtue of its traditional relationship with purity, is the flower of the sorority. Its colors are green and white.

The philanthropic activities of members of Kappa Delta are shown in the work being done in the Crippled Children's Hospital at Richmond, Va., where the dental laboratories and a number of beds are being supported by this group. Kappa Delta also maintains a large endowment fund and a chapter house fund.

Mrs. Gladys Redd, former president of Pan-Hellenic Council, is one of Kappa Delta's prominent alumnae.

Woodlawn House

Dormitories

Filled to capacity by freshman women (who must live there because of college regulations), upperclasswomen who are unafiliated with any social group, or women whose social group house is over crowded, Ferncliff Hall houses more than 140 women. Two sister dormitories have been made to care for the great number of coeds now at Wittenberg. Woodlawn House now houses sixteen women, while "581" house on Woodlawn provides living quarters for about eight girls.

Ferncliff hall is a composite of three structures: the old Wittenberg Academy, now called the "old part" or the part of the building composed of wood; a brick structure built in 1884, or that part of the building where the entrance is; and the later addition of 1914, or the new south wing.

Woodlawn house was formerly called the "Honor House," but the building's name was soon changed for reasons known only to its residents and to various college authorities.

Girls living in the annexes take their meals with the residents of Ferncliff, where the main social activities are dinners for faculty members and a plan of exchange dinners with the men of Myers Hall.

The Reason . . .

That MOLLOY-MADE covers have been used on so many of the nation's leading annuals over a long period of time is testimony to the effect that they really do represent more value.

MOLLOY-MADE covers produced by the oldest organization in the cover field are today, as always, the standard of excellence.

Your book bound in a MOLLOY-MADE cover, for which there is no substitute — or equivalent — will give you the finest obtainable.

Acknowledgement

Fellow students here is the 1939 Wittenberger. Perhaps you are disappointed in the results, we sincerely hope not. We have tried to do the best to our ability in putting out a yearbook that you will be anxious to take home and show to your friends. We have attempted to give you more pictures in the form of "snap panels," we hope that you are satisfied with the results.

We have no theme as you can see. Perhaps this can be laid to the lack of originality on the part of the editor. However we have honestly tried to depict as many activities as possible.

We wish to sincerely thank the members of both the Editorial and the Business staffs as they have done an admirable job in assisting us when ever needed. We would also like to acknowledge the fine assistance and work of the Indianapolis Engraving Co. and the Greenfield Printing and Publishing Co.

If you members of the student body are too dissatisfied with this years publication please tell next years staff so that our many mistakes can be recitified.

We hope our efforts have pleased you

The object of every member of this organization is to please and cooperate in the production of fine yearbooks. Printing as a fine art is herein exemplified by the work of the Wittenberger staff, the photographer, the engraver, the cover maker, and the printer and binder.

Our company is proud to have been selected as printers and binders of this yearbook, as well as many other school annuals.

Just Old-Fashioned!

Not the greatest . . . not the largest . . . but an organization devoted to a principle of excellence. For more than three decades hundreds of yearbook editors and business managers have placed their faith in our ability to help them design, publish, and finance unusual yearbooks . . . Just old-fashioned in principle, but with a very definite flare for the best in modern publication trends!
